or After-Sales Executive
(national or foreign)

Maximum security when
requesting or changing
passwords

Letters of instruction

Registration, authorization and checking
now will be simple and quick

Registration Loading Letter PDF

4 Steps

- Select the type of instruction and attach the PDF file
- Complete the information
- Select the letter approvers
- Enter the Digipass key to register the document

When selecting the type of Instruction letter you have different options:

Instruction Letter Authorization

Each representative must authorize
the document by entering the Digipass
key

Registration using the Spreadsheet

- Select the type of instruction
- Complete the required fields
- Select the letter authorizers
- Enter the Digipass key to register the document

In addition, you have...

A log with the traceability
of the process

Swift request and send out
(with a maximum of 5
recipients)

Online process with the
current Legal Brief

Module designed to search any
letter of instruction, registered or
authorized, using the
spreadsheet.
